

REQUEST FOR PROPOSAL WEBSITE ASSISTANCE

EnergyNet, an Illinois-based not-for-profit organization, is looking for assistance revising its website at www.EnergyNet.net.

Please note, we do not want to have a new site developed nor do we need hosting. Our goals for the chosen subcontractor are:

- ▶ Update the information currently on the site
- ▶ Archive old information
- ▶ Develop style sheets so that program staff can maintain/update the information and images on the site
- ▶ Develop instructions for uploading audio and video to the site

Time Frame

Work should be completed by August 8, 2008.

By July 7, please send a proposal that includes examples of your work to:

Carol@EducationalDividends.com

If you have any questions, feel free to contact Carol at 217.359.9442.
